

Dual Enrollment

\$15 million

Dual enrollment reimbursement

- For any student who qualifies for free or reduced lunch & has at least a 2.5 GPA
- Up to \$50 per student per credit hour
- Must receive A, B, or C in course to qualify
- Maximum of \$300 per student per year for 9th/10th graders
- Maximum of \$600 per student per year for 11th/12th graders

Course requirements

Courses must meet one of the following requirements:

- Fulfills a lower division gen ed credit at a state university or community college
- Is a CTE course that is required for a certificate, credential or license

Dual Enrollment Providers (institutions that grant the college credit)

Providers will:

- Enroll students and waive up to \$50 per credit hour in applicable courses
- Ensure that students meet requirements for free or reduced lunch
- Submit report to ADE for direct reimbursement

High Schools

High Schools will:

- Develop data sharing and IGAs to ensure students are eligible for free or reduced lunch
- Sign up students for courses and ensure they receive information

Reporting to ADE (by providers)

In January & June

- Student IDs and grade levels
- Qualifying course & program
- # of credit hours
- Cost per credit hour that was waived

Frequently Asked Questions

- What is required to consider a course dual enrollment for this funding? Does concurrent enrollment count?
 - In order to qualify, a dual enrollment course must be taken at the high school or CTED and
 - Must qualify the student for both high school and college credit.

Frequently Asked Questions

- For an incoming freshman, is the GPA requirement waived?
 - No, freshmen without a high school GPA will not be included in this funding
- How can CTEDs get access to free and reduced lunch status of students when they enroll in dual enrollment courses?

Frequently Asked Questions

- How can CTEDs get access to free and reduced lunch status of students when they enroll in dual enrollment courses?
 - The easiest way to do this without extra work for students will be to add a statement and box to the dual enrollment form
 - Get recommended language from legal that basically says: I am applying for a fee waiver and give permission for my high school _____ to verify my free/reduced lunch eligibility status.
